

Gulet KAPTAN YILMAZ – EOLIAN ISLANDS ITINERARY 2021

Boarding in Milazzo at 18.00 / disembarkation in Milazzo at 09.00 am

Saturday : Milazzo

Boarding at 18.00

Accommodation on board, Welcome cocktail, information and security Briefing, departure towards the roadstead CALA DEI LIPAROTI in the marine protected area of the Cape of Milazzo. Expected arrival after 30 minutes. For the more impatient ones it will be possible to take the first dip, diving, even after dinner, in the blue/ turquoise sea, illuminated from the underwater lights, installed for this purpose.

Sunday: Stromboli

At 07.30 the crew will depart towards the island of Panarea, with the first stop at Lisca Bianca. Here you could take a bath between the sulphuric fumaroles. After lunch, navigation towards the island of Stromboli. Here there is the possibility of doing a tour of the island or, for the passionate, to do the accession to the crater (900m about 4 hours of walk), if it is allowed by the authority. At the sunset it is planned the observation of the characteristic volcanic activity of "IDDU" or comfortably seated at the observatory or from the boat, according to the volcanic activity. Dinner on your own.

Monday: Panarea

As usual after breakfast, navigation towards Panarea, in particular towards the cliff of Basiluzzo, where the colours of the sea will leave you breathless. Swimming break and lunch, in the afternoon sailing towards the Milazzo's bay for the excursion to the prehistoric village of Cala Junco, stop at anchor near the island's port. Tender service h24.

Tuesday: Lipari

09.30 Navigation to the characteristics mountains of pumice (Lipari). The swimming break will be characterized from crystalline and shallow waters. You will feel like you are in a Caribbean beach. After lunch we will navigate towards the roadstep "Sotto Monastero" at Lipari, from where it will be possible to disembark at Marina Corta and taste the more delicious cannoli of the Eolian Islands. Dinner on your own.

Wednesday: Filicudi

At 8:00 departure towards the island of Filicudi, enjoying one of the most pristine islands of the archipelago. Our first stop in Filicudi will be: the BUE MARINO cave or CANNA rock. In the afternoon, we will navigate towards village of "Pecorini a Mare. From there you can depart to a 1 hour tour to visit the village of Valdichiesa and a unique sunset at the observatory.

Thursday: Salina

08:30 departure to the island of Salina, with a swim stop at Pollara, (set of the film "The Postman" by Massimo Troisi). In the afternoon, after a short navigation, we will enter in the port (subject to availability) approximately at 16:30. You can choose between different excursions: the more classical tasting of Granita of Alfredo, the tasting of wines directly from the producer or for the more sporty the ascension at the mountain of Fosse delle Felci.

Friday: Vulcano/Milazzo

Departure towards the island of Vulcan, where there is the possibility to do a bath stop and to climb the crater. This excursion is less challenging than that of Stromboli. After the excursion, all aboard for the circumnavigation of the island to admire the GROTTA DEL CAVALLO and the PISCINA DI VENERE. We will continue towards Milazzo, where is planned the arrival at 17.30. In Milazzo we advise to visit the bigger castle of Sicily and the characteristic old town. Dinner on your own.

Saturday

Breakfast and disembarkation at 09.00.

End of services.
